First 30 days of Season 31

As the season of “The Companion” comes to an end, we want to thank you for your participation and dedication to the Community. We also encourage you to continue your engagement with the Xbox community and spread positivity and encouragement in every gaming session.

We hope you all enjoyed the quests, rewards and Ambassador stories that came with being a part of this program throughout the season.

Now, get ready to join forces and welcome our new season – “The Alliance”! This season will bring more challenges, activities, and rewards than ever before.

Join us in creating an inclusive and welcoming environment for all gamers and let’s start our journey together to find and join the journey as we find out what’s coming up on our first 30 days for season 31.

More activities for the Ambassadors!

Buckle up! We have some new and fun activities coming your way!

We understand how important it is to keep things fresh and engaging for our community, and that is why we are introducing some new activities that we hope you will love with a focus on community social events! We have a range of activities planned that will cater to all kinds of gamers and interests.

Additionally, some Ambassadors will be notified about our starter quests. These are quests that some tenure Xbox Ambassadors may not have completed. We want to give all Xbox Ambassadors a chance to complete these quests.

Xbox Ambassadors Research Panel

Back in April, The Xbox Ambassadors Program partnered with Microsoft User Research to create a panel that helps connect Xbox Ambassadors with opportunities to make their voices heard in surveys and calls with members of team Xbox.

We'll have new opportunities and activities coming through the Xbox Ambassadors Research Panel. If you haven't joined the research panel yet, click here to learn more about it [FAQ].

Lowering XP required to unlock Platinum and Diamond Tier

We are also making changes to our XP quests, to make it easier for Ambassadors to reach higher tiers, so we are lowering Diamond from 15,000 to 12,000 XP this season. We're also lowering Platinum tier from 10,000 to 8,000.

Finally, there will be some adjustments on certain quests, including Looking for Group (LFG), Good Game, Follow and Friend quests and adjusting other quests in the program to have more XP.

This change will be noticed starting Season 31.

We are so excited to start the season of "The Alliance" with you, so hop into our Discord Server if you want to chat with the Team about what's to come.

Enjoy the new season and happy gaming!
